

# Sign your DPA in one click.

A standard EU-style Data Processing Agreement governing how AltOrbit handles personal data on your behalf. Pre-filled, e-signable, no legal back-and-forth.

*English is the authoritative version.*

<b>Document</b>	AltOrbit Data Processing Agreement <b>v3.2</b> · Standard Contractual Clauses (Module 2: Controller-to-Processor) · GDPR Art. 28
<b>Controller</b>	Your organisation (the workspace Owner)
<b>Processor</b>	AltOrbit (pre-incorporation; an EU legal entity is planned). Registered address published at incorporation.
<b>Sub-processors</b>	AWS, Cloudflare, Stripe, Resend, Sentry · Full list
<b>Data categories</b>	Workspace content, account data, billing data, operational metadata — full schema in Annex A
<b>Transfer mechanism</b>	EU SCCs (2021/914) for any data leaving the EEA · UK Addendum for UK data
<b>Region</b>	EU (Frankfurt). A US region is planned, with no committed date yet.
<b>Audit rights</b>	SOC 2 Type II report (when issued) + on-request answers to security questionnaires
<b>Breach notice</b>	Without undue delay, no later than <b>72 hours</b> after we become aware
<b>Term</b>	Co-terminus with your AltOrbit subscription. Survives termination as needed for legal obligations.

Preview only — the binding DPA is generated and e-signed inside the app at Settings → Billing → Legal. For a redlined version or a custom MSA, email [legal@altorbit.app](mailto:legal@altorbit.app) (typical turnaround 3 business days).

AltOrbit · pre-incorporation · an EU legal entity is planned. Registered address will be published at incorporation.
